Announcement: EZ-VIB End-of-Maintenance service

Dear customers,

Thank you very much for your continued business with us.

Please be informed that maintenance service of EZ-VIB, will be terminated.

As the major components used in the product were difficult to procure due to out of production, continuous supply of the product is no longer possible and we would like to notify the end of the maintenance service. We very much appreciate your understanding on this matter.

We look forward to your continued choice for our products in the future.

Please see below information for the detail of the End-of-Maintenance service.

1. Target Model

EZ-VIB

2. Schedule

End of maintenance

3. Maintenance support

Although we have informed the end of maintenance service, we will continue your support within the possible range. If you found any defective, please contact to our sales.

4. Succession Model

Please consider VTV-9000 series for the succession model.

Please contact our sales person for the detail of the product shift and the specification of the succession models.

Please contact our sales person for any questions.
